Bookings

When is a Booking made?

A Booking is made on confirmation from Transdev (either through the App, by the wharf kiosk or over the phone) and notification of the estimated pick up time is provided. Until a User has received this notification, no Booking will be accepted by Transdev. For Bookings made via the App, it is the responsibility of the User to (a) ensure they receive email or in-App confirmation of the Booking and (b) to print or present this out as evidence of a Booking and to use as a ticket for the Service.

Multiple Passengers

Users must nominate at the time of Booking if booking a trip for additional passengers to that User. A User acknowledges that a failure to notify Transdev at the time of arranging the Booking may entitle Transdev to refuse carriage to the additional passengers and/or cancel the Booking in its entirety.

Specific Assistance
Users who require assistance with boarding should notify the onboard staff, who will endeavour to assist in accordance with their training and WHS Law. If offered in the Bays Precinct, a wheelchair accessible service needs to be notified by a User at the time of Booking. Assistance animals are welcome on board the Service. See the Conditions of Carriage on the website for full requirements.

Seat allocation

The Services currently do not provide for allocated seating and it is therefore the responsibility of the User to select a seat when they board the Vessel. The safety of the User, including the use of lifejackets, is the responsibility of the User in all circumstances. Users must follow the instructions of the Master (or any other Transdev employees) at all times when onboard the Vessel.

Changes to Bookings

Users are unable to cancel a Booked Service using The Tranzer app without incurring any costs. Users who book a journey using the wharf kiosk or by calling the Customer Service line may choose to cancel their journey by not turning up to the wharf.

No fees will apply where a User is absent and the Vessel arrives at the designated pick up wharf.

Fares and Charges

Fares for the Services are displayed on the Transdev website and consist of a set fee per trip. Fares are determined by TfNSW and may be changed from time to time – current pricing will be available on the Transdev website and in the App prior to a Service commencing. Unless otherwise stated, fares are inclusive of all taxes and booking fees.

The applicable fare will become due and payable to Transdev on the later of:

- For Users who nominate to pay online through the App (being Visa, Mastercard or American Express) on completion of the Booking;
- For Users choosing to make a cash payment in the Bays Precinct, upon boarding the Vessel

Payments will be processed in accordance with the method of payment nominated at the time of Booking by the User. A failure to pay for the Services when they become due and payable will entitle Transdev to cancel the Booking and/or refuse carriage of a User. Receipts will be issued by the App or to the User on payment of the Fare onboard.

Where available, if a User books a concession fare, that User must carry evidence of their valid concession entitlement with them at all times when using the Service and this must be clearly displayed to the Master or other Transdev employee on request. If a User fails to provide a valid concession entitlement Transdev reserve the right to either (a) charge a full fare or (b) refuse carriage at Transdev’s discretion. Accepted concession entitlements can be found on the TfNSW website: https://transportnsw.info/tickets-opal/ticket-eligibility-concessions
